

Some Men Can Whistle

And smoke a good cigar at the same time. They'd strangle if they tried it with a bad cigar—but then if the cigar was bad they wouldn't feel like whistling. One reason why our customers whistle so much is the satisfaction they get of us. There must be some reason for the large trade we have—what can it be unless it is that we give the best for the least money?

The Hamilton-Foehl Wedding.

The wedding of Miss Clara Hamilton to Mr. C. A. Foehl, of Cambridge, occurred Wednesday at 9 a. m. The house was decorated in pink and white, and many palms and ferns, beside autumn flowers, prevailed, adding largely to the scene.

The bride wore a dainty dress of white organdie, and looked very pretty.

The couple were preceded on their entrance into the parlor by little Miss Margaret Hamilton, bearing a salver on which lay the wedding ring, and by her side walked little Miss Verna Milner, carrying a huge bunch of pink roses.

The ceremony was impressively performed by Rev. Mr. Roe, of the Presbyterian church.

At the wedding breakfast table sat the bride and groom, Miss Bertha Cutter, Miss Sibley, Miss Bruce and Mr. Harley Smiley, Mr. Gus. Foehl, Mr. Charles Torpy, Mr. Harry Clark and Mr. John Hamilton. The repast was a plentiful one and much enjoyed.

The best wishes for the happiness of Mr. and Mrs. Foehl are extended them by their many friends in this city.

The couple left on the Ohio River train for a two week's trip among several of the eastern cities.

According to the Sentinel:

The old rivals, the West Virginia University and the Marietta College football teams, will meet in battle array at the Fair Grounds at Marietta on Saturday afternoon at four o'clock. Parkersburg time, and will fight for victory on the gridiron. The Mountaineers will be accompanied by a large crowd if the weather is at all favorable. Parkersburg will be there in large force and will encourage the boys with their presence. It promises to be one of the most hotly contested games ever seen in this section and the Mountaineers will be able to hold their own.

Change in Undertaking Business.

A day or so ago arrangements were perfected whereby Mr. J. W. Doudna, of Chesterhill, Morgan county, is to take charge of the undertaking business of Hudson & Riggs. In all probability Mr. Doudna will purchase a half interest in the business and will move his family and effects to Marietta.

For almost 20 years Mr. Doudna has been in business in Chesterhill, having for a number of years past been in the undertaking business, and conducting a hardware store, also. He will be a valuable acquisition to our city.

Wharboat Repairs.

The Marietta wharboat which has been in the dry docks of Messrs. Pope & Son at Parkersburg, for about a week, will be returned to Marietta about Saturday of this week.

The hull of the big boat is being thoroughly overhauled, new planking being put in where needed, and the seams calked anew. When finished the boat will be in fine shape—the best wharboat on the river!

The boat is about fifteen years old, and this is the second time she has been docked.

Two Fine Teams.

Holdren & Davis brought to town Tuesday two very fine spans of horses which will add materially to Marietta's colony of fast horse flesh. Mr. Holdren purchased the animals in Morgan county, near Chesterhill. One team is of unusual size, and is intended more especially for being driven to the firm's new palace coach. This team is bay in color.

The other team is iron gray, and is of lighter weight. It is intended for general use.

Beautiful Woodwork.

Wagner & Minch, the mantle men, have just completed a very handsome mantle, to be placed in the home of Mr. W. W. Mills. The design is Colonial, and is very simple. It is finished in the whitest and glossiest of enamel. It was designed by Mr. Wagner, and all the work executed in the Wagner & Minch shop.

Married.

Mr. Rufus Brown, of this city, and Miss Catherine Beihl, of Pleasant Ridge, were married yesterday afternoon at the parsonage of the First M. E. church by the Rev. Mr. Dick. Mr. and Mrs. Brown have many friends in Marietta who will hasten to extend congratulations and wish them a long and happy life.

Dog Run Over.

A young dog, belonging to Miss Blanche Leeper, was killed yesterday afternoon at the intersection of Putnam and Third streets, by being run over by a street car.

The Parkersburg High School football team and the second team of Marietta College have arranged to play a game of football at the Fair Grounds Saturday morning.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers, that they offer One Hundred Dollars for any case that it fails to cure. Send for list of Testimonials. Address, F. J. CHENEY & CO. Thousands of weak and debilitated men and women have found Dr. Pierce's Golden Medical Discovery the powerful and timely aid to set them upon the level road of perfect recovery. It creates health by making the digestion perfect and the liver-action regular and thorough. It repairs wasted tissue and builds up solid healthy flesh and muscular power. It is palatable, and digestible by the weakest stomach. In chronic coughs and lung diseases, it is far superior to nauseating "emulsions" or mere stimulating malt "extracts." Its good effects are real and permanent. For nearly thirty years Dr. R. V. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., during which time this remarkable "Discovery" has wrought thousands of cures which seemed well-nigh miraculous. Some of the most interesting of these obstinate cases are fully described in one chapter of the great thousand-page illustrated book "The People's Common Sense Medical Adviser" by R. V. Pierce, M. D., which will be sent free for cost of mailing only, 21 one-cent stamps, or cloth-bound for 31 stamps.

N. Gaddis, Esq., of No. 313 S. J. Street, Tacoma, Washington, writes: "I was taken ill in February, 1892, with headache and pain in my back. I called in a doctor and he came three times. He said I was bilious, but I kept getting worse. I took a cough so that I could only sleep when propped up in bed. My lungs hurt me and I got so poor that I was just skin and bone. I thought I was going to die. I tried a bottle of Doctor Pierce's Golden Medical Discovery and it did me so much good that I tried another one and it made me strong and well. It saved my life."
